LOWER LEVEL: Family room with fireplace, located under the bedrooms to the front of the garage area. One bedroom and full bath are located to the back of the home (southeast). The storage area under the living room is the same size as the living room above, just a few feet shorter due to the level of the living room which makes excellent storage or man cave.

Actual homes may vary from elevation and floorplan shown

BACK YARD: Fully fenced with shadowbox style privacy fence, concrete patio, and deck which is accessible from kitchen/dining area.
